Dillon

C Unseen Sea

Half lyrical Lolita, half musical mistress, Dillon is our latest signing to Kitty-Yo and is somewhere between a sonic hybrid of Uffie and Peaches. Having recently proved her right to stardom at the 'Vice Magazine' party she is now supporting the Berlin garage trash punk band Jolly Goods on their tour in January '08 and with her playful mixture of deadpan delivery, cheeky vocal hooks and solid beats Dillon is destined to enthral legions of fans, tastemakers and hipsters on both sides of the Atlantic.
