## MEISTERFACKT

Down On My Ass

'Bounce it to hell' is what they promise to do on their myspace page and that just what Christoph and Rolf aka Meisterfackt do with their first single on Kitty Yo 'Down On My Ass'. With its killer groove, phat shuffle beat and quirky sounds this is going to get mercury levels rising from Marseille to Melbourne. This is a sexy summer scortcher with a cheeky vocal hook that that will be making dancefloors a much nicer place to be in the future. These guys are masters and that's a fact.
