The Michelles

Sober Rain

Hailing from America, Wales and Germany, The Michelles are everyone's favourite, bona fide mongrel band, who have now rooted themselves in Berlin. Taking influences from bands such as The Strokes and The Beatles, The Michelles fire together reliably crunchy guitars with more spontaneous rhythm and melody than your average boy band.

Having gigged like wild fire over the summer they are now releasing 'SOBER RAIN', a wonderful follow up to their super hit single 'SPRINGTIME', which was featured in Julie Delpy's film 'TWO DAYS IN PARIS'.

Be prepared to be blown away.

THE MICHELLES are:

TIM - rhythm guitar - Rock & Roll through and thru with a touch of southern hospitality. He likes to scream when he can. The only rich person type thing he can do is play tennis. Dances his way into far too many awkward situations. Can moonwalk, ChaChaCha, and say all the books of the Bible real fast.

GRAEME - drums - The quiet one. A polite gentleman and a properly amazing animator. Plays pop drums in a classic 60's kind of style.

JULIAN - bass - A young gun & a rebel with too many causes; raised by wild city wolves on the mean streets. He plays his bass with a barn burning stomp.
